**REPORTS:**

**ECS**

Kyle Snyder and Chase Sheriff for the College of Engineering and Computer Sciences (ECS) provided their goals and information on the college. The report is an attachment to the minutes.

**EXEC OFFICERS**

La provided an update on the Scholarship program. He thanked the volunteers and shared that there is a training meeting on Wednesday, 9/6/17. Additionally beginning the following week the President’s room will be reserved in the afternoon for Scholarship graders. La reported that they are still working on the language for the Titan Dreamer’s Scholarship. Once approved, the scholarship will be added to the handbills as an additional option. He shared that scholarships are available until 10/9/17 and asked the Board to spread the word.

Jakel asked how many applications have been received. La shared there are approximately 24 applications needing to be processed, and more applications are coming through. Keep promoting and handing out flyers.
Bonney asked for more information on the Dreamers scholarship. La shared that they are still working on language concerns to minimize taxation. He gave a shout out to Bonney for handing out handbills. Bonney followed up asking if there are more handbills. La will order more when the Dreamers scholarship is ready.

Allen clarified that the ASI Board voted and approved the Dreamers scholarship last year, however they did not have time to work on the details. The current delay is in creating, drafting and making sure students get the most benefit. The scholarship could impact financial aid and all things must be considered and worked out. The goal is that students receive the full award and they can deal with Financial Aid on any impact to their account.

Bonney asked if the scholarship will be available this fall term. Allen shared that the goal is to have it available this term. Bonney asked if the Dreamers scholarship could be advertised. Allen, not until it has been formally announced and made available.

Dr. Stambough, will provide a written report which is an attachment to the minutes. Last spring the Senate passed a resolution in support of various groups. Check out the Senate webpage to review. He encouraged members of ASI, Student Reps in Senate to actively participate in the events/debates that are coming up. Take an active role. These changes will impact faculty, staff and the community.

Stambough shared that this year the senate will focus on two priorities with long term affects, the campus discussion about the new Strategic Plan. Through the current Strategic Plan the campus has met a number of the goals. The focus will be in determining what will be in the new plan. Stambough shared that student input is vital in the planning process. He shared that one issue being considered is more detailed goals for high impact practices and finding ways for high impact practices to assist students in graduation goals.

Another key area under consideration relates to changes to the General Education (GE) standards which the Chancellor’s office recently revised. This is an area where student feedback is vital. Too often GE gets dismissed and the goal is to make it valuable in itself. GE classes will now be double counted within your major, some find this positive and others negative. The number of GE units will decrease to 48. The basic changes have to take place by next Fall for new students coming in the Fall.

Sheppard asked if feedback can be sent by email. Stambough confirmed.

Dr. Amir Dabirian, Vice President for Information Technology introduced himself and his team. He shared that is goal is to present what is important to students and to get the BOD input regarding technology. VP DABIRIAN provided a PowerPoint Presentation which is an attachment to the minutes.

Highlights from the report include:
- IT and Audio Visual upgrades to classrooms coming Spring 2017

VP Dabirian answered questions from the Board regarding his report.

Allen thanked VP Dabirian for coming to speak to the Board and for supporting students and being so open to student feedback.

Julian
No finance committee meeting this week. Any questions reach out.

Jakel
All Day ASI T-shirts please wear around campus to promote. He asked the Board to sign up for the All Leaders component for the day. CSSA at CSUF is two weeks away. Sign up to attend/volunteer. Jakel also asked the Board to continue promoting vacancies on the BOD. There is one application for the College of HHD.

Rodriguez
Sign up for All Day ASI shifts. Rodriguez shared that at the Governance Committee they will be reviewing ways to improve the Bylaws, because of potential conflict of interest for the Board Leadership Review Committee. At the committee they will review policy updates as well. Rodriguez shared that there is a very important political discussion on campus. Working on DACA support and encouraging those affected to explore resources on campus. He urged the Board to learn about services available to students.

ANNOUNCEMENTS/Members PRIVILEGE

Hunt shared that in light of DACA and the events from the morning, the Titan Dreamers Resource Center will remain open until 10:00pm today. She encouraged the Board to promote this resource to anyone needing support. Additionally, CAPS has set aside special drop in hours for students needing support due to feeling impacted from the recent news. An additional resource for students is the Dean’s office. She shared that the office stands in support of students who are undocumented. She is new to the CSUF campus and although she may not have firsthand knowledge about all of the resources, she can find out and direct students as needed. She reiterated that the Dreamers Resource Center, CAPS or the Deans office are available and urged all to spread the word.

Stambough shared from a political scientist in Orange County, home to a number of targeted households, call your legislators. Email doesn’t have the same level of impact that a phone call has. He urged the Board to be active.

Borjas provided a brief overview of about the DACA program. He shared that it was an executive order by former president Obama, which provided safety for undocumented individuals from deportation, availability to attend public institutions at the resident rate, not out of state. The individuals identify as Dreamers as part of their dream to have access to the same resources as their community members. Borjas further
shared that these individuals feel threatened right now. Connect them to resources. Fullerton was the first CSU to have a Dreamers Resource Center. He urged the Board to be open and if a student shares concerns, to provide support and give them resources to help.

O’Toole invited the Board to attend the AICC Pizza with the Dean event on 9/11/17 from 12 to 1pm, with Dean Dale Merrill.

Jakel, thank you to all who volunteered at Discoverfest last week.

I. Goals for ASIP:
   1. **Unify** the campus through inclusive and diverse events
   2. Balance **tradition** with **innovation**
   3. **Collaborate** within ASIP, ASI, and the campus.
   4. **Retention** at events throughout the year
   5. **Support** and **communicate** effectively, in and outside of ASI

Implementation of these goals is already in full effect since school has started. These are goals ASIP created as a team over summer and have been committed to accomplishing each day since. All ASIP events that are planned are inclusive of everyone and we are especially looking forward to All Day ASI in which we have many different ideas to unify the campus on that day. Regular ASIP events have been brought back for tradition, but we are adding small twists to incorporate our goal of innovation. ASIP has already started collaborations as well. One upcoming collaboration is our Open Mic at Becker Amphitheater with Titan Tusk Force for Taco Tuesday on 9/5. Daniel, our Films Coordinator, is currently working on a collaboration with the Chicana and Chicano Resource Center and the African American Resource Center. Our USP Coordinators are also working with the TSC Board of Trustees on Midterm Madness Events to highlight less-known areas of the TSU. We have been thinking about strong approaches for retention and have decided to make stamp cards with our marketing department. These stamp cards are given to students who attend any ASIP event and offer promotional items once they have attended 5 and 10 ASIP events. We promote and hand them out
ourselves as coordinators and sign off on them as students bring them to us. This was an idea I brought to ASIP last year that worked well and we hope to make even more effective this year. My team and I have been great with supporting and communicating with one another, as well as other leaders of ASI and their teams. With our handbills, flyers, and social media, we feel as though we also have strong communication with the campus too. We were heavily involved with move in day at housing and Discoverfest, and my team has additionally been making classroom and club announcements where they hold involvements.

II. Current Funding Status

1. ASIP has currently spent or committed to spending 10% of the overall budget

This number includes what has already been spent by all ASIP coordinators, including the contracting of talent, food for events, supplies, printing and advertising, and promotional items. As such, any employee should notify the Executive Director (or the University Risk Manager, in the case of suspected fraudulent activity by the Executive Director) and not engage a suspected individual or conduct a personal investigation.

Information discovered during the course of an investigation will be disclosed or discussed only with individuals on a need-to-know basis. Confidentiality must be enforced to avoid damaging the reputations of persons under suspicion who are found innocent of wrongdoing.

No information concerning the status of an investigation will be given out. The proper response to any inquiry is, "I am not at liberty to discuss this matter." Under no circumstances should any reference be made to "the allegation," "the crime," "the fraud," "the forgery," "the misappropriation," or any other specific reference.

Upon completion of the investigation, the Executive Director will file their report with the Director of Internal Auditing and the ASI Board of Directors.

Decision to prosecute or refer the matter to law enforcement officials will be made in conjunction with legal counsel, ASI Executive Officers, and the Director of Internal Auditing.

**Termination**

If an investigation results in a recommendation to terminate the employment of an individual, the recommendation will be reviewed for approval by ASI Human Resources and legal counsel. The policy will be reviewed annually and revised as needed.

d. **Whistleblower Protection**

ASI policies on Ethics and Fraud (hereinafter referred to as Policies) require directors, officers, employees and volunteers (members collectively referred to herein as member or members) to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. All members of the organization must practice honesty and integrity in fulfilling their responsibilities.

**Reporting Responsibility**

It is the responsibility of all members to comply with the policies and to report violations or suspected violations in accordance with this Whistleblower Policy. ASI encourages initial reporting to occur internally to allow for expeditious resolution of all such matters and to minimize the effects of improper actions.
Board members are required to sit on an Associated Students, Inc. standing committee and be a liaison to at least one of the following: the Association for Inter Cultural Awareness (AICA), Community Service Inter-club Council (CSICC), Sports Club Inter-club Council (SCICC), Mesa Cooperativa, the Black Student Union (BSU), the Resident Student Association (RSA), the Inter Fraternity Council (IFC), the National Pan-Hellenic Council (NPHC), PanHellenic Council (PHC), and the Multicultural Greek Council (MGC).

Directors of the Board are required to attend their college’s Inter-club council meetings. If scheduling conflicts arise, the director(s) shall have regular contact meetings with their Interclub council chair, Inter-club council members, and their assistant dean.

Directors of the Board shall establish and maintain weekly office hours (at least one hour a week and by appointment). These hours shall be posted on their respective college's bulletin board and outside the Board of Directors’ office.

When time permits, the Board Chair may schedule ASI promotional events for the Board to carry out after the adjournment of Board Meetings.

Directors of the Board are required to keep in contact with their constituents, college-based Deans or Assistant/Associate Deans, and report to the Board on issues and concerns from their college. Two reports will be given each week during regularly scheduled Board of Directors meetings beginning the third week of the fall semester. The reports will be given in alphabetical order, with respect to the college’s names.

No member of the ASI Board of Directors shall serve as an officer or director of an ASI program, funding council, or board.

No member of the ASI Board of Directors shall be employed by the Associated Students, Inc.

3. COMPOSITION AND DUTIES OF COMMITTEES

All items brought before the Board should be referred to the proper committee. Emergency situations, as defined by the Gloria Romero Open Meetings Act, may be immediately acted upon by the Board as defined by the Act. The committee must report each proposal, with the exception of the budget, back to the Board within two weeks. The chair of each committee shall be responsible for presiding over committee meetings and reporting the committee’s recommendations to the Board. No committee shall consist of two Board members serving from the same college. In the event a committee member should resign, a written notice of their resignation shall be submitted to the chair of the committee.

a. General Composition

All ASI Committees shall be composed of at least a majority of students. The chairs of ASI committees must be students. The chair and ex-officio members shall not be counted when determining if a committee is composed of at least a majority of students.

b. Audit Committee

The Audit Committee is a requirement of ASI, in accordance with the Nonprofit Integrity Act of 2004. The committee shall be composed of four (4) directors from the ASI Board of Directors, one (1) member of the ASI Finance Committee, and one (1) voting member of the Titan Student Centers Board of Trustees. The previously stated members must be students. Other voting members of the committee shall include two members from the campus community. All members must be approved by the ASI Board of Directors with a majority vote.

The Act stipulates that the Audit Committee members may not be staff or unpaid volunteers in an operational position of the organization. Additionally, no member from an organization that has a financial interest in ASI may serve on the committee.
Reporting Violations
The Whistleblower Policy addresses the organization’s open-door policy and suggests that members share their questions, concerns, suggestions, or complaints with someone who can address them properly. In most cases, a member’s supervisor is in the best position to address an area of concern. However, if the member is not comfortable speaking with their supervisor or is not satisfied with their supervisor’s response, then they must speak to the Director of Human Resources. The supervisor and/or Director, Human Resources is required to report this notification to the Executive Director upon receipt. The Executive Director or designee will conduct an investigation of the reported concern. In the event that a concern involves fraud, then it must be directly reported to the Executive Director who has the responsibility to investigate all reported violations of policies.

Handling of Reported Violations
The Executive Director will notify the sender and acknowledge receipt of the reported violation or suspected violation within one business day. All reports will be promptly investigated and appropriate corrective action will be taken if warranted by the investigation. If the concern involves an incident of suspected fraud, defalcation, or other irregularity concerning corporate assets, the Executive Director will notify the Chair of the Audit Committee, Chair of the Board of Directors, and the University Director of Internal Audit in writing within twelve hours of receipt and work with the ASI Audit Committee until such matter is resolved. All concerns involving the Executive Director shall be directly reported to the University Risk Manager.

No Retaliation
No member, who in good faith reports a violation of the policies, shall suffer harassment, retaliation, or adverse employment consequence. A member who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment. This Whistleblower Policy is intended to encourage and enable members to raise serious concerns within the organization prior to seeking resolution outside the organization.

Acting in Good Faith
Anyone filing a complaint concerning a violation or suspected violation of the policies must be acting in good faith and have reasonable grounds for believing the information disclosed indicated a violation of the Policies. Any allegations that prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

Confidentiality
Violations or suspected violations may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

- A work stoppage, or other activity which severely impairs public health, safety, or both exists;
- A crippling disaster that severely impairs public health, safety, or both has occurred.

After any emergency meeting, the minutes of the meeting shall be publicly posted for a minimum of ten days. Included in the minutes shall be a list of the persons and organizations that the Chair (or designee) successfully notified, or attempted to notify. Also, a copy of actions taken (if any) and roll call vote(s) taken shall be included.

Under no circumstances may the Board of Directors meet in a closed session under discussion of an emergency matter, whether during a regular, special, or emergency meeting.

9. CHANGES MADE TO THE ASI BYLAWS AND POLICIES
All substantive changes made to the ASI Bylaws and/or policy Statements shall be submitted to the Vice Chair of the Board/Secretary for review to assess the impact on existing policies and Bylaws. ASI President, Laila Dadabhoy:
This past week I was able to touch base with Dr. Oseguera, the Associate Vice President for Student Engagement. We discussed how ASI can support the Food and Housing Insecurities operational group. Celine and I will be sitting on a committee to promote this project and hopefully encourage students at large to play a more active role in supporting their peers.

SFAC and SSIFAC will be meeting next week for the first time on September 15. We will be reviewing the Student ID Card fee first, but these first meetings will primarily consist of introductions and helping the students that sit on the committees understand their responsibilities. If you’re reading this, it’s too late. Dr. Eanes and Yessica De La Torre will be helping me navigate these two committees. I will also be working with Yessica and Celine to develop a convenient marketing campaign that will help students at large understand the benefits they receive through the SSI fee.

This week I will be meeting with Dr. Eanes and President Garcia to reconnect on different things ASI and the university can work on this year. We are considering moving forward with the freedom of speech campaign.

ASI Executive VP, Andrew La:
• Scholarships: Scholarships are out and will close Oct. 9, so let everyone know to apply for ASI scholarships. Thank you to all the graders to sign up, we will be meeting Sept. 6 for training and how-to-grade session. It shouldn’t take more than an hour. Thank you, thank you!
• If you would like to get involved in an upcoming Philanthropy Project, please let me know and contact me through asvicepresident@fullerton.edu email and I can give you more information. Other than that, have a fantastic day!

ASI Chief Governmental Officer, Saba Ansari:
• Lobby Corps
  o Our first meeting of the year for Lobby Corps is this Thursday from 1-230 in the President’s Room
  o This past Friday, we dropped off nearly 100 letters to two different Congressional offices in regards to our support for our DACA students
  o We are going to continue letter writing and hopefully organize a phone banking event
• CSSA
  o CSSA is coming up in 2 weeks, from September 16-17th!

ASI Chief Campus Relations Officer, Kelly Zarate:
Hello!
Updates with PAC/UA:
- The first PAC/UA meeting last week went well! We had a few members attend and will hopefully have more attendance in the next few meetings
- The next meeting will take place on September 15th from 4-5:30pm in the President's Room
- Please continue in helping us find more reps (if you would like to see the list of open committees, don't hesitate to reach out)

Updates with ESC:
- The first Farmer's Market is today from 11-2, so if you haven't checked it out then you should!
- The handbills for promoting the Markets and Commission meetings are out and they look amazing
- The commission is still looking for more ways to collaborate on campus so if you know of anyone looking to collaborate then email me or Connor Sebo (ESC Director)

That's all folks!
ASI Chief Communications Officer, Celine Moubayed:
Hello again friends, family, loved ones, but most importantly Titans,

Let me tell you about all the cool things we did this week!

This week the communications commission conducted their first social media giveaway! During Discoverfest, all three members, went out and through SnapChat and Instagram ran a contest in which the first ten students to find one of the member would get a free t-shirt. This was a successful event and we gained a lot of followers! The t-shirts will be given out this week at the executive offices in the Titan Student Union once each student shows us their ID card.

The community engagement is currently working on their newsletter. They are also excited to table at the CSUF Angel's game, September 15th.

Now, personally, I am doing okay. 8.46/10 but we round up so 8.5/10 so I guess I'm alright! I will be serving on a few committees, such as the University Curriculum Committee and the Academic Standards Committee.

Please feel free to e-mail me or stop by my office if you have any questions or concerns. My door is always open and my chia-pet is always growing!

To my one true love,

Glaiza ❤
